Interactive services

We may from time to time provide interactive services on our site (interactive services).

Where we do provide any interactive service, we will provide clear information to you about the kind of service offered, if it is moderated and what form of moderation is used (including whether it is human or technical). We will do our best to assess any possible risks for users (and in particular, for children) from third parties when they use any interactive service provided on our site, and we will decide in each case whether it is appropriate to use moderation of the relevant service (including what kind of moderation to use) in the light of those risks. However, we are under no obligation to oversee, monitor or moderate any interactive service we provide on our site, and we expressly exclude our liability for any loss or damage arising from the use of any interactive service by a user in contravention of our content standards, whether the service is moderated or not.

The use of any of our interactive services by a minor is subject to the consent of their parent or guardian. We advise parents who permit their children to use an interactive service that it is important that they communicate with their children about their safety online, as moderation is not foolproof. Minors who are using any interactive service should be made aware of the potential risks to them. The company is prohibited from providing services to minors under the age of 18. Where we do moderate an interactive service, we will normally provide you with a means of contacting the moderator, should a concern or difficulty arise.

You must not misuse our site by knowingly introducing viruses, trojans, worms, logic bombs or other material which is malicious or technologically harmful. You must not attempt to gain unauthorized access to our site, the server on which our site is stored, or any server, computer or database connected to our site. You must not attack our site via a denial-of- service attack or a distributed denial-of service attack.

By breaching this provision, you would commit a criminal offense under the Convention on Cybercrime. We will report any such breach to the relevant law enforcement authorities, and we will cooperate with those authorities by disclosing your identity to them. In the event of such a breach, your right to use our site will cease immediately.

We will not be liable for any loss or damage caused by a distributed denial-of-service attack, viruses or other technologically harmful material that may infect your computer equipment, computer programs, data or other proprietary material due to your use of our site or to your downloading of any material posted on it, or on any website linked to it.

Suspension and termination

We will determine, in our discretion, whether there has been a breach of these terms through your use of our site. When a breach of this policy has occurred, we may take such action as we deem appropriate.

- Immediate, temporary or permanent removal of any posting or material uploaded by you to our site.

- Legal proceedings against you for reimbursement of all costs on an indemnity basis (including, but not limited to, reasonable administrative and legal costs) resulting from the breach.
- Further legal action against you.
- Disclosure of such information to law enforcement authorities as we reasonably feel is necessary.

We exclude liability for actions taken in response to breaches of these terms. The responses described in this policy are not limited, and we may take any other action we reasonably deem appropriate.
